

# HMI's

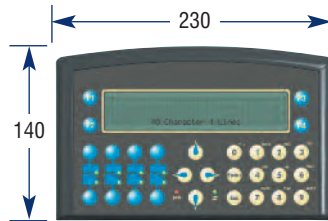

(Human Machine Interfaces)

Text-based **MI series**

## IMO MI8L40CX

- Eight line by forty character 240x64 Graphics LCD display with LED backlight and variable height characters, providing excellent visibility in all conditions
- 4 programmable Function Keys
- 4 Navigational Keys
- 8 user defined function keys
- Alpha-numeric keys
- Power consumption 2.75 Watts
- Flash 512K bytes Used to hold firmware, database and protocols
- 128K bytes SRAM solely for variable data
- Voltage range: 9.5-32VDC

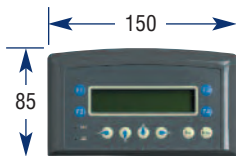

## IMO MI4L40CX

- Four line by forty character LCD display with LED backlight with 5.5 mm high characters providing excellent visibility in all conditions
- 4 programmable Function Keys
- 4 Navigational Keys
- 8 User defined function keys
- Alpha-numeric keys
- Power consumption 3.5 Watts
- Voltage range: 9.5-32VDC

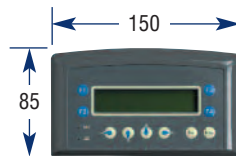

## IMO MI4L20CX

- Four line by twenty character LCD display with LED backlight with 5.5 mm high characters providing excellent visibility in all conditions
- 4 programmable Function Keys
- 4 Navigational Keys
- 8 User defined function keys
- Alpha-numeric keys
- Power consumption 3.5 Watts
- Voltage range: 9.5-32VDC

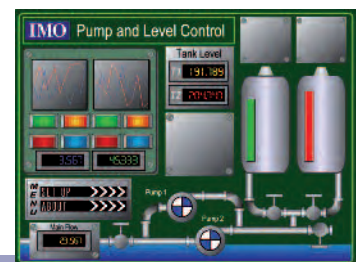

## IMO MI4L20C

- Four line by twenty character LCD display with LED backlight with 5.5mm high characters providing excellent visibility in all conditions
- 4 programmable function keys
- 6 navigational keys
- Power consumption 2.5 watts
- Dimensions 85x150x42
- Voltage range: 9.5-32VDC

## IMO MI2L20C

- Two line by twenty character LCD display with LED backlight with 5.5mm high characters providing excellent visibility in all conditions
- 4 programmable function keys
- 6 navigational keys
- Power consumption 2.5 watts
- Dimensions 85x150x42
- Voltage range: 9.5-32VDC

## Panel Point

- A low cost, high power solution for process control PC based SCADA package for Windows XP or 2000**
- Full colour graphics with animation
  - Unlimited data tags
  - Scripting language, recipes, alarms and event based actions
  - Includes "Loki" data logging application
  - Integrated OPC Server
  - Wide range of serial and network protocols
